ALNAP 33rd Annual Meeting: Facing the Unknown

Joining Instructions

This year, ALNAP is hosting a virtual curtain raiser as part of the 33rd Annual Meeting. We will be using the Whova virtual event platform, which you can access as a registered attendee.

Signing up/signing in to Whova

You can choose to join the session on your computer or via the Whova app on your smart phone.

If you would like to download the app, please:
- Search for ‘Whova’ in the app store
- Click install
- Once the app has installed, click open then sign up/sign in and use the same email you used to register for the event
- Our event will show up automatically under ‘My Events’

If you would prefer to join via your computer:
- Please visit alnap.org/whova
- Sign in using the same email you used to register for the event

Once you have signed in, please take an opportunity to take a look around the app. On the main navigation menu you will find:
- Agenda – where you can access your sessions on the day
- Attendees – where you can network with other attendees
- Communities – where you can join informal discussion groups before or after the meeting
- Message – this will act as your notification area. When interactive polls are launched during your sessions, you will be notified here.

Joining your session

To join the event, please sign in to Whova on the app or via: alnap.org/whova

1. To join the sessions, please select Agenda from the main navigation menu.

2. The agenda will show the opening session, your pre-selected breakout session, and the closing session. At the correct time, you can join each session by selecting ‘View session’

3. If you are joining on your computer, you can improve the video quality of the feed by clicking the settings wheel at the bottom of the video window, then selecting ‘quality’ then ‘480p’.
